Here's a sweet treat for collectors of colorful MandM's characters, starring regular and peanut. This is a serious collector's guide to those smiling candies with a tough exterior and a gooey heart, and now has even more wonderful examples. Author Patsy Clevenger, who describes the smiles of the MandM characters as "absolutely infectious," first provides readers with a concise review of the candy's history, including a timeline of MandM colors featured from 1940 through the 1990s. This comprehensive and enjoyable guide then leads the reader on a tasty tour of the MandM collectibles, complete with values for the hundreds of items shown, which range from kitchen towels to tins, toppers, posters, and jewelry. Additional sections on advertising items and MandM packaging round out the book.
