isbn:9781583881743

This encyclopedia provides vital information on every miniature die cast motor vehicle manufacturer from around the world. Includes brand names, distributors and

promoters of these miniatures. The small-scale die cast models and toys, primarily in the range of Matchbox (included) size vehicles, are about three inches in length or smaller. Inside are concise company histories including the types of die cast they created and information to identify specific models. Features hundreds of examples in full color.
