This lavishly illustrated volume displays the 40 most spectacular houses built in recent years. Located all over the world, they are set apart by their imaginative and innovative design, as well as their use of the latest technologies in construction, newly developed sophisticated materials, and furnishings from leading designers. Organized by geographic location -- city, suburbs, country, mountains, or by the sea -- they present

the best of original and innovative designs from the world's most acclaimed cutting-edge architects.
