In "Home by Design," Sarah Susanka presents the 30 key design concepts that can be applied to any home - no matter what the style or size. Using 28 of the best designed homes from around the country, Susanka brings these concepts to life with 150 powerful and inspirational examples: from something as simple as placing a rug under a table to renovating a whole second floor. "Home by Design" shows homeowners a new way to look at their spaces and provides ideas for how to make each home reach its full potential.
