This new edition of New York architecture & design chronicles the most exciting contemporary buildings in this dynamic city. There's a selection of innovatively designed buildings that includes offices, residences, hotels, restaurants, and retail spaces. Admire singular examples of design such as Richard Meier's residential building Perry West; JFK's new Terminal 4, the work of Skidmore, Owings and Merrill; or, Yabu Pushelberg's work at the W Times Square hotel. This is an important volume for both students of design and lovers of New York's hallmark style. ? Another of teNeues? authoritative series of and: guides to contemporary architecture in cities

worldwide ? Includes color photographs and a site map for convenient use by tourists and professionals alike
