出版时间:1994-09-01

装帧:Paperback

isbn:9780801849787

Critics of the turn-of-the-century's City Beautiful Movement denounced its projects—broad, tree-lined boulevards and monumental but low-lying civic buildings—as grandiose and unnecessary. In this masterful analysis, William H. Wilson sees the movement as its founders did: as an exercise in participatory politics aimed at changing the way citizens thought about cities.
