The spotlight doesn't get any hotter than this...Rachel Marsh doesn't have time to think about the pampered lives of Hollywood stars. She's too busy running her family's Lazy M Ranch in Arizona. But even Rachel has heard of Jackson Stone, the green-eyed movie megahunk known for his sexual prowess both on- and offscreen. Jackson is the last person Rachel would expect to show up looking for work as a cowboy. But that's exactly what happens... and now Rachel has her hands full keeping her mind on the Lazy M--and off Jackson! After a nasty tabloid scandal, Jackson has decided it would be best to spend a little time out of the public eye. When he stumbles across the Lazy M Ranch, he hatches a brilliant plan: to convince its pretty owner to let him go undercover as a cowboy until things blow over. Jackson sees nothing wrong with spending a little time incognito--especially with a woman like Rachel, who looks as good roping cattle as she does by the light of an intimate campfire. Now, far from inquiring eyes, these two slightly cynical lovers are going to discover just how good they are at being bad... and the outcome may be more than downright sexy. It may be true love.
