The Demon Hunter Asagi finally has the magical sword Moegi, but a promise made to its handler remains unfulfilled. Asagi and Kaede search for a way to free Kurenai from the ancient sword, but their path is filled with many strange encounters - including the daughter of a werewolf clan and a slew of strange creatures! The famed Moegi, the magical blade forged with a hundred and one Demon Orbs, is within the grasp of the Demon Hunter Asagi, but a promise made to its handler remains unfulfilled. As their journey continues, Asagi and Kaede search for the way to free Kurenai from the ancient sword, but various encounters will thicken their path. Befriending the daughter of a werewolf clan and encountering a slew of strange creatures, these adventurers move further from the answer to their dilemma and closer to unforeseen troubles in Yo-u: The Moegi Volume 2.
