Her mission was to recover the Mysteries... the Secret Knowledge of All Time. In order to do this, Sara Springtree had to step out of this present realm of time itself... and into dimensions unexplored. Sidestepping time opened the door to the Theater of All Possibility... and a new history was told at the same hour that a new world was being born. An explosion of immense proportion was about to happen, and nothing could stop it. History will tell us that Truth stands as testimony unto itself... and we will all live to see the power behind that punch as these days unfold. For the story is out now... and everything is soon to change in this world we all live in... Pandora's Box is Open
