Caught up in the responsibilities of her job and the incessant demands of her elderly mother, mayor Emily Warwick doesn't allow herself to dream. Then there's her younger sister Jessica, who's about to walk down the aisle with a man their mother despises. It doesn't help that Emily's still mourning the husband she lost and wondering what happened to the baby she gave up for adoption twenty years ago. Sometimes she thinks it would take a miracle to fill the hole in her heart. But miracles do happen in Cape Light. You just have to close your eyes--and believe in your dreams.
