Luanne Rice is a rarity among novelists today; she's a true storyteller. Her unique ability to weave together the bonds of love and family with the challenges and rewards of everyday life has garnered her eight consecutive top-ten New York Times bestselling paperbacks. With *Beach Girls*, Luanne Rice returns to the place that she was born to write about—the Connecticut shore—to tell a story about a family of women whose lives encompass three generations, their histories intertwined with that of the mystic coastal town that has forever bound them to one another.

*Beach Girls* explores the complex and contradictory territories of love, family and friendship. Luanne Rice's sensuous prose and unforgettably rich and textured characters guide us toward a truth that lies within and sometimes beyond our dreams—an enduring strength that we all must embrace to find our way home and into the hearts of those we cherish most. *Beach Girls* is an enthralling novel of haunting beauty that will resonate long after the final page is turned.
