Phillip Margolin -- author of the smash New York Times bestsellers Wild Justice and Gone, But Not Forgotten -- returns with a thrilling tale of politics, secrets, and murder . . . Amanda Jaffe was a rising star of Portland's legal community, until a run-in with a psychopath left her scared and craving anonymity. But her new case promises to keep her in the spotlight -- and in danger. Defending the accused murderer of a U.S. senator will place her and those she loves directly in the path of a deadly cabal with ambitions that extend all the way to the presidency of the United States . . .
