Mystery is in Herculeah Jones' s blood. How could it not be, with a father on the police force and a mother who' s a private eye? So when Herculeah notices a man hanging around the "Dead Oaks" mansion, she can' t resist doing some investigating of her own. Legend has it the old estate was the site of a murder, and now it looks like there' s something even more nefarious going on. Can Herculeah crack the case before the mystery man closes in on her?
