For many, the college years are the best of one's life. For Lucas Lloyd, a Northwestern undergrad, higher education seems little more than “an expensive isolation from reality.” An unworldly scholar upon his arrival on campus, Luke soon comes to realize that A's are overrated, and while knowledge might be gained by listening to professors preach, real wisdom is attained outside the classroom. Wasted Words is the story of one man's tragicomic journey through the college daze.

作者介绍:

Colin MacLaughlin was born and raised in the suburbs of Chicago. He graduated from Northwestern University in 2005 where he received a degree in Radio/TV/Film. After writing several unproduced screenplays, the lifelong bookworm turned to fiction as an outlet for his logophilia. Wasted Words is his first published work.

评论

冷冰冰的夜晚在咖啡店自己看完了这部写西北大学生活的书。150多页但半个小时就能看完，并没什么文采，作者想要学麦田里的守望者但是没有成功。但看到熟悉的地名和经历，还是觉得莫名感动啊。
