Ermintrude is the diva's diva! Not one for being ignored, she has a love for the finer things in life and believes that her tastes are infinitely more refined than her chums from "The Magic Roundabout." Trained as a ballet dancer, Ermintrude firmly believes she can not only sing as beautifully as Pavarotti but dance as lithely as a cat. Sadly, the truth is that she sings like a cat and dances like Pavarotti. All of her friends turn up, but they cant help wince at the noise she makes. One of the most popular characters from the "Magic Roundabout" TV series and now major CGI animated movie, "The Little Book of Ermintrude" is a perfect gift for the diva in all of us.
