Chocoholics unite Maida's back and bringing the world's best chocolate recipes with her. Maida, of course, is Maida Heatter, sorceress supreme of all things chocolate. Now cocoa aficionados, food fiends, and master chefs everywhere can breathe a sigh of relief as Maida Heatter's Book of Great Chocolate Desserts, the classic New York Times

best-seller, returns after ten years out of print. Maida is justifiably famous for her respected series of cookbooks, ranging from Maida Heatter's Book of Great Desserts to Maida Heatter's Brand-New Book of Great Cookies. But it was always her Book of Great Chocolate Desserts that inspired the highest praise, admiration, and following from home and restaurant dessert cooks around the world. Chocolate creators know they can turn to Maida for tantalizing confections, cookies, cakes, pies, puddings, and sauces that transcend the ordinary and make for memorable dining experiences. This jacketed hardcover includes all the original Maida recipes that have become favorites, along with changes and updates from the dessert doyenne herself. Those who have worn out, shared as a gift, or misplaced their original version-or who want to replace their later paperback edition-will welcome this book, as will anyone who enjoys cooking with and eating chocolate.
