From finfish to shellfish, chowder to stews, this volume brings together a classic collection of mouth-watering seafood recipes. Each chapter opens with a beautifully photographed dish, a selection of fantastic seafood recipes, plus an exclusive recipe from a celebrated New England chef. Not only does the "New England Seafood Cookbook" feature classic recipes like Maine Crabcakes and Fish Gumbo, but also a selection of new and updated dishes that are sure to tempt even the most discriminating of palates.
