“The trick is to keep at it steadily.We’ ll see progress in time.” “Didion believes the notebook’ s value lies in its record of “How it felt to be me” at a particular time.” “Henry Miller believed reading was ‘an act of creation’ By reading slowly,carefully,and with complete attention,he believed,we respect the writer’ s work and enrich our lives.”

for writers. not casual diary keepers. I should at least take a look at samples before buying them :/
