"The Complete Single Mother" has long been single mothers' favourite source of encouragement and advice, exploring important issues as: finances; dealing with the absent father; custody; and, dating and remarriage. Now, this revised and updated parenting classic boasts a new chapter devoted to children with special needs, as well as inspirational side bars about famous single mothers. The most comprehensive guide on the market, this always supportive, one-step resource is simply a must-have for single mothers everywhere.
