Everyone who seeks a more compassionate and wise life will benefit from this wonderful, insightful, and beautiful book. It is a very short step from understanding autism and the God connection to understanding you and the God Connection. ---Gary Zukav, author of The Seat of the Soul and The Dancing Wu Li Master "Autism and the God Connection is a compelling, powerful and thought-provoking book. Mr. Stillman describes the discoveries that unfold from conversations that he has with people that have a difficult time with conventional communication. He is able to see, feel and hear people from different perspectives." --Nicki Fischer, executive director, publisher and editor, The Autism Perspective Magazine Autism impacts one out of every 166 children--ten times higher than just ten years ago. Despite the international scrambling of scientists to provide an explanation, there remains no single known cause for the rise in autism. Autism and the God Connection views autism through a spiritual prism, unlocking its hidden meaning. Through countless interviews William Stillman documents extraordinary examples of spiritual giftedness. Autism and the God Connection boldly challenges our traditionally held beliefs about people with disabilities. Readers looking for hope, inspiration and a deeper understanding of their loved ones will appreciate the affirming anecdotes of ordinary families.
