This new DVD by Scott Kelby, Editor of Photoshop User magazine, is designed for

people who are already using Adobe Photoshop CS (or even Photoshop 7) and want to unlock the amazing power of Photoshop CS2 now. Scott shows you step-by-step how it's all done, and there's no faster or easier way to unlock the secrets and incredible new features of Photoshop CS2 so you can start using them right away. You'll learn: . The important new features for digital photographers, and start using them like a pro . How to unlock the power of Photoshop CS2's new "Adobe Bridge" (it'll change how you work forever) . How to use Photoshop CS2's Creative Tools to unleash a new level of creativity in your work . How to use Photoshop's new Smart Sharpen, Noise Reduction filter, and more! . How to use CS2's new Camera Raw plug-in, to take your Raw images to the next level . How to open a new world of creativity using the amazing new Vanishing Point filter Photoshop CS2 is packed with hidden tweaks, enhancements, and features, but how to put them to work isn't always obvious. This DVD will have you using Photoshop CS2 like a pro right away. Plus, you'll learn all those little shortcuts, tricks, and insider secrets that'll let you apply the power of CS2 to your own work today.
