Ideal for introductory and advanced level courses in computer graphics, desktop publishing and/or web design software applications. THE FIRST TRUE ACADEMIC

SERIES FOR GRAPHICS! The Essentials for Design series offers a learning-by-doing approach that encourages students to grasp application related concepts as they expand their skills through hands-on tutorials. The titles offer a clean, easy-to-follow, full color layout with two different levels available. Instructor Resource CD-ROMs include assessments, PowerPoint presentation materials, and additional projects.
