Thoughts with Love For Mothers and Thoughts With Love For New Babies bring Anne Geddes' extraordinary images of babies to a traditional gift-book format for the first time. With stunning photos taken from Geddes' larger volume Little Thoughts With Love, these special collections are sure to become treasured keepsakes. Each features inspirational quotes and homilies from writers as diverse as William Shakespeare and H. Jackson Brown Jr., combined with Geddes' distinctive award-winning images. A wide-eyed tot peeks out from inside a dewy rose opposite Shakespeare's quotation "What's in a name? That which we call a rose by any other name would smell as

sweet." H. Jackson Brown Jr., reminds us, "Kiss your children good night, even if they are already asleep," beside a pair of winged angelic infants slumbering on a cloud. These special collections are the perfect size to give to a mother-to-be, a new mom, or anyone who enjoys beautiful, timeless images of children.
