Loosen the family ties and finally find the love you deserve Thought you left your parents' influence behind when you grew up and moved out? Think again. For better or worse, we choose mates that are just like Mom and Dad. And until you realize how much your parents influence your choice in partners, you'll make the same relationship mistakes over and over. "Oh No! He's Just Like My Father" will help you escape that parent trap and eliminate destructive patterns by teaching you how to: Decode your relationship style Define your dream relationship Find out if you're sabotaging your current relationship Weed out men who don't deserve a second glance Decide whether you should stay or go
