This easy-to-read guide offers a complete overview of Nonverbal Learning Disabilities

(NLDs) and the wide variety of symptoms that different types of NLDs present.

Maggie Mamen enables readers to select the most relevant strategies for coping with and managing their particular symptoms. She provides a wealth of practical advice on key skills such as developing written and verbal communication, understanding social clues, managing behavior, self-regulation and improving organization. She also covers relevant teaching methods for the classroom.

This practical and accessible introduction is an essential guide for those families and professionals working with children and adults with NLDs.
