When you read a novel by Rosamunde Pilcher you enter a special world where emotions sing from the heart. A world that lovingly captures the ties that bind us to one another-the joys and sorrows, heartbreaks and misunderstandings, and glad, perfect moments when we are in true harmony. A world filled with evocative, engrossing, and above all, enjoyable portraits of people's lives and loves, tenderly laid open for us... It deemed such an innocent deception. All Flora Waring had to do was play the part of Rose, her long-lost twin, for one weekend and meet the family of Rose's fiance. But when Flora is introduced to the Armstrong family, she realizes that she has inherited the secret scandal Rose created five years before...and left wounds that turn the man Flora loves against her.
