isbn:9780679772606

"A perfect-pitch story of love and redemption" (The New York Times), Boyd's atmospheric new novel confirms his reputation as heir to the grand narrative traditions of Joseph Conrad and Somerset Maugham. In 1936 Los angeles, as her long-estranged father tells architect Kay Fischer the story behind her secret parentage, he plunges readers into a tale of grisly murders and an illicit passion that still obseses him 30 years later.
