著者:Arenas, Reinaldo

出版者:Penguin USA

出版时间:1995-6

装帧:Pap

isbn:9780140157185

A passionate, epic writer, the author of Before Night Falls, concludes his five-novel sequence--a "secret history of Cuba" and a writer's autobiography--with this allegorical satire. Arenas paints a harrowing yet boldly entertaining Kafka-esque picture of a dehumanized people and the despair of an observer/narrator clinging to sanity.
