In the little town of Palomo Grove, two great armies are amassing; forces shaped from the hearts and souls of America. In this "New York Times" bestseller, Barker unveils one of the most ambitious imaginative landscapes in modern fiction, creating a new vocabulary for the age-old battle between good and evil. Carrying its readers from the first stirring of consciousness to a vision of the end of the world, "The Great and Secret Show" is a breathtaking journey in the company of a master storyteller.
