Mighty mountains, wild rivers, fiery volcanoes, huge glaciers, vast forests, tropical islands -- all part of our National Parks, belonging to you and me. This magnificent ABC book showcases each of America's National Parks from Acadia and American Samoa to Yosemite and Zion. California travel writer David Domeniconi masterfully includes each of the more than 50 National Parks in this A-Z pictorial. Illustrator Pam Carroll's keen attention to detail makes this title one for everyone across the land to read and enjoy. David Domeniconi grew up in San Francisco and graduated from San Francisco State College. He is a writer and illustrator whose work has appeared in several West Coast publications. His illustrated travel column, "Travelog" is a regular feature in the "Santa Barbara Press." He lives in Carmel-by-the-Sea with his wife, Janet. Pamela Carroll embraces the traditional focus of realism and pictorial illusionism. Her style of

painting has been greatly influenced by the early Dutch Masters and the American Realists from the Second School of Philadelphia. She lives with her husband in Carmel, California, where she paints daily, and is an active member of the Carmel Art Association.
