Lily and Shad are into it again. But this time, Lily and her friends are fed up with his

teasing, and decide to give Shad a taste of his own medicine. When Lily and her friends play the ultimate prank on Shad, guess who's left to take the fall--Lily. Lily and Shad get assigned a project that they must complete TOGETHER after school. Will this finally bring an end to the infamous feud between Lily and Shad? Or is it the beginning of something much worse? See what happens when Lily makes an unpleasant discovery and has to decide what's important--becoming someone she can like or someone God can like.
