"Colorful and relevant..." -Slate From the creator of the New York Times bestselling series SAGA, comes the three-time, Eisner nominated, PanelSyndicate.com's digital comics sensation THE PRIVATE EYE! Finally, this book is coming to print in a beautiful deluxe hardcover edition! Set in an inevitable future of where everyone has a secret identity, THE PRIVATE EYE is an eerily prescient sci-fi mystery about an unlicensed private investigator who stumbles onto the most important case of his life. The series is set in 2076, a time after "the cloud has burst", revealing everyone's secrets. As a result, there is no more Internet, and people are excessively guarded about their identity, to the point of appearing only masked in public. "Readers and retailers have been begging us for a physical version of this story ever since we first announced our hard-boiled parable about the future of privacy in America, so when the time came, Marcos and I knew that we had to go with Image Comics, the most creator-friendly publisher of print comics ever." -Brian K. Vaughan

隐私主题的赛博朋克小说，故事目前为止没啥新意，但横开本真是太digital-friendly了，分镜很有看头。四星预定。

-----  
pay what you want comics

-----  
信息时代的隐私危机赛博故事。

-----  
特！别！酷！

-----  
补标，分分钟看成storyboard, 期待影视化！ 但开本令人不适。
