Hank the Cowdog is back! This time, things start to heat up when a strange flapping noise leads to a midnight investigation of the ranch. Before he knows it, Hank finds himself caught up with his old friend Eddy the Rac and face-to-face with one of a dog's greatest enemies: the dreaded laundry monster. Could it mean the end for everyone's favorite Head of Ranch Security-or is it just Eddy up to his old tricks? One thing's for sure, Hank will keep readers laughing out loud with this latest installment to the popular series.
