Practical, country-bred Moira Hughes must fight for the family fortune she believes her stepfather's heir has unlawfully withheld from her. Graham Foster, treasure hunter and Egyptian antiquities expert, returns to London to claim his barony only to find himself accused of foul play by Moira and her family. Finally coming to a wary truce, Graham agrees to help Moira find her lost fortune, and together they follow a trail of fraud, deceit, and murder that leads them through the streets of London--and into each other's arms.
