Australia has been invaded. Nothing is as it was. Six teenagers are living out their nightmare in the sanctuary of a hidden valley called Hell. Alone, they make their own rules, protect what is theirs, and struggle for courage and hope in a world changed forever. Seeking supplies, allies, and information, the friends make forays into enemy territory, drawing on nerve and resourcefulness they never even knew they had. As the risks become greater, so too do the sacrifices they must make. Intense, passionate, and compulsive, *The Dead of Night* continues the frighteningly real story begun in *Tomorrow, When the War Began*.
