Now that her third and last child has left the nest, Edie Boyd's life turns suddenly and uncomfortably silent. She begins to yearn for the maternal intimacy that now seems lost to her forever. Be careful what you wish for Before long, a mother-and-child reunion is in full swing: life away from the nest has proven to be unexpectedly daunting to the children, who one-by-one return home, bringing their troubles. With an unannounced new phase of parenthood suddenly stretching ahead of her, Edie finds her home more crowded than ever. In this touching, artful novel, Joanna Trollope has created a family drama for the ages, a moving story of work, love and eternal parenthood.
