Great idea but very generically executed. Reinterpreting Marvel heroes and villains as Old West archetypes (the sheriff, the town drunk, the corrupt mayor, etc.) has endless possibilities and would be seemingly difficult to make boring. However, this miniseries manages to overcome the odds and is both boring and bland.

评论

密战支线，西部风格超级英雄，反派大资本家刻画的非常单薄。

-----  
画风棒！

-----  
我是真的爱极了这个画风。
