The victim makes headlines as the Black Dahlia-and so begins the greatest manhunt in California history.Caught up in the investigation are Bucky Bleichert and Lee Blanchard: Warrants Squad cops, friends, and rivals in love with the same woman. But both are obsessed with the Dahlia-driven by dark needs to know everything about her past, to capture her killer, to possess the woman even in death. Their quest will take them on a hellish journey through the underbelly of postwar Hollywood, to the core of the dead girl's twisted life, past the extremes of their own psyches-into a region of total madness.
