Being a mom means more than being a wife and parent-it also means being the household accountant, building manager, cook, gardener, housekeeper, and personal shopper-just to name a few of the roles that come with the territory! As America's "Family Manager," bestselling author Kathy Peel has shown millions of moms that

running a household is like operating a business. Like any good C.E.O., every mother must know her goals, determine her strategies, and manage her human resources.

Delegate-Motivate-Organize...Relax!

Every smart manager knows that success depends on teamwork. Kathy shows readers how to get kids and spouses to help around the house-with lots of practical advice and encouragement to get them motivated and keep them going.

Save Time, Money, and Your Sanity

With hundreds of time-saving, money-saving, and stress-reducing ideas, this indispensable handbook also shows readers how to take charge of running the home-without running themselves into the ground.
