When we were very young... And lost in play Of endless summer days, I never stopped to think about how much it meant to me to have you as my sister. "My Sister and Me" reminds us that no matter what life holds or how many friends are made along the way, nothing will ever change those sunny sister days we shared when we were very young. Beautifully illustrated by watercolor artist Becky Kelly, this charming gift book celebrates sisterhood: laughing at private jokes no one else would understand, whispering under the covers long after bedtime, or just holding hands to be sure of each other. "My Sister and Me" celebrates the special bond of sisterhood: Before friends and school and jobs and lives were stuffed full, a sister was there to share it.
