An extraordinary evocation of a grown daughter's attachment to her mother, and of

both women’ s strength and resiliency. "I Remain in Darkness" recounts Annie’ s attempts first to help her mother recover from Alzheimer’ s disease, and then, when that proves futile, to bear witness to the older woman’ s gradual decline and her own experience as a daughter losing a beloved parent. "I Remain in Darkness" is a new high water mark for Ernaux, surging with raw emotional power and her sublime ability to use language to apprehend her own life’ s particular music.
