When Anne Abbot moves to Brewster, Olivia Marsden takes an immediate dislike to the newcomer. Anne's perkiness really rankles, and Olivia finds the open way she talks about her faith very annoying.

Overwhelmed with the prospect of making a good impression in this, her fifth town in eight years of not-so-happy marriage, Anne prays for a deep friendship and finds herself drawn to cool, aloof Olivia. One day, Olivia faces a family emergency and turns to Anne for help. In one evening, the two become fast friends. The fledgling friendship deepens when Anne is diagnosed with breast cancer. Misunderstandings, the shadow of death, and a beautiful new life play out in the alternating voices of the main characters. After Anne marks the first of an exceptional new novel series. Readers will be drawn to the intimacy of Libby and Anne's narratives and inspired by their story of friendship, forged by fire and inspired by God.
