Critics have put him in the same league as bestselling authors John Grisham and Scott Turow. But John Lescroart (pronounced "Less-kwah") is carving out his own unique place in the legal suspense game with his character-driven courtroom dramas featuring his popular San Francisco defense attorney Dismas Hardy. In Lescroart's newest, most explosive novel, Hardy tries to get his wife out of jail -- by tracking down a murder suspect whose confidence she refuses to betray....
