Dark Horse Comics and Playboy Enterprises are proud to present for the first time ever the more than 400 pages of the late, great Harvey Kurtzman's "Little Annie Fanny",

collected in two deluxe volumes. Kurtzman, creator of "Mad" magazine and godfather of underground comix, teamed with longtime E.C. Comics collaborator Will Elder (and sometimes Frank Frazetta, Russ Heath, and Jack Davis) to create a Playboy icon second only to the bunny and a risque comics icon second to none! Each volume showcases over 200 pages of stunningly rendered stories from the sexy strip's 25-year run. Trend setting in its use of color, irreverent in its satirical look at the changing face of America, and a masterpiece of technique, this definitive collection of one of world's most controversial comic strips is long overdue. This first volume takes us through the swinging Sixties with the Beatles, Civil Rights, and the beginning of the Sexual Revolution. Also included is a detailed behind-the-scenes look at the strip's creative process, featuring never-before-seen art and preliminary drawings!
