Book Description

Oh, my God, who am I fooling?

I cannot do this!!! I can't have SEX. I'm a PRINCESS, for crying out loud.

The new school year's only just begun - and already there have been some big shocks for one disaster-prone princess. Not least, Tina's revelation that Lilly's probably Done It with J.P.! And what about Mia's new haircut, which has turned out kind of...extreme? (Where DO you put a tiana when you've been scalped?)

But then Michael drops a bombshell. He's been offered a job for a year (or more) on an amazing science project...IN JAPAN!!! Can Mia's perfect prince really love her if he can leave her? And what would it take to make him stay?

The eighth heart stopping book in the top-selling THE PRINCESS DIARIES series.
