Buffy, Oz and Angel are Europe-bound, only they're not flying any airlines. They're travelling the 'ghost roads' of limbo in search of Jacques Regnier, sole heir of the dying Gatekeeper whose Boston mansion is the supernatural barrier restraining thousands of the otherworld's most nightmarish monsters. The evil Sons of Entropy will do anything to destroy the gate - even if it means trading the power-laden Spear of Longinus to the vampires who are holding Jacques. Back home, the ghost ship Flying Dutchman has set sail for Sunnydale, determined to shanghai new crewmen - dead or alive. For Willow, Xander, Cordelia and Giles, it's an ocean of trouble; especially when the monstrous Kraken reemerges with a vengeance...
