Best known for his images of soup cans and celebrities, Andy Warhol, one of the preeminent artists of the 20th century, also created many hand-drawn pieces of whimsy and wonder. In 26 beautifully illustrated pages, the So Many Stars Board Book showcases the complete collection of one of his most playful projects—an exploration of the concept of "So," including You Are So Big, You Are So Small, So Sweet, and I Love You So. Filled with sweet phrases and a mirror feature that will delight young readers, So Many Stars is a terrific introduction to an iconic modern artist.
