Scruples is the novel that created publishing history, the first-and widelyacknowledged to be the very best-novel ever writtenabout the staggeringly luxurious life of a BeverlyHills boutique and the people who work in it. Scruples was translated into twentylanguages and made Rodeo Drive famous around theworld. The New York Post saidthat " Scruples was born tobe a smash bestseller. . . It has more insideinformation about the worlds of high fashion andHollywood than you'd find in a dozen manuals."With Scruples , Judith Krantz earned her reputationas a blazingly talented and original storyteller.she takes her readers behind the scenes of wealthyand fame to show them the real people and the realemotions that exist at the core of even the mosthigh-powered lives. Scruples is the leader of her#1 best-sellingnovels.
