著者:Rosen, Diana

出版者:Workman Pub Co

出版时间:2000-6

装帧:Pap

isbn:9781580171663

This flavorful combination of black tea and rich spices is now the up-and-coming beverage trend. Rosen uncovers its history along with recipes for making and cooking with chai and serving suggestions for tea celebrations. Readers will find variations like herbal chai, iced chai, and chai cappuccino, plus recipes for masala cake, cardamom cookies, and chai scones.
