The author of "Inappropriate Men" and "Sleeping Over tackles" home improvement and reality TV. Give two hopeful singles their own fashion consultants and interior designers, and allow them four days to perk up each other's homes and style, and what do you get? "Swap/Meet," the newest reality show on the network block-and Lily Allen's dream job turned nightmare. At first, Lily thought working on "Swap/Meet" would make her an interior design star. She just never imagined she'd end up working with a ditzy host, a jealous competitor, and feuding fashion czars. Plus, the cute, curmudgeonly carpenter on her team knows just how to push her buttons. Episode by episode, through do-it-yourself disasters and matchmaking miracles, Lily starts to discover that a little bit of controlled chaos is the spice of life- and love.
